Experiences :

10.2010 – till now **ARTUC Ltd. Şti.**
Co-Founder and Technology Director

I am responsible of managing and developing projects about technology which includes Web, system (Windows and Linux platforms) and also multimedia. We always use latest available technologies and methodologies. I developed Spare Part Search and Request for Quotation System (web and desktop application) and Easy CRM System (web application) up-to-now. Web site:
<http://www.artucltd.com>

08.2010 – 10.2010

Omni Teknoloji Bilgisayar Ltd. Sti.

Software Engineer

I was responsible for developing standalone Web, Microsoft Forms and Microsoft SharePoint 2010 applications and projects. I resigned because of managerial conflicts. Web site: <http://www.omnitr.com.tr>

05.2009 – till now

Teknovole.com Online Computer and Technology Magazine

Founder and Director

I founded Teknovole.com with my three computer engineer friends. We are unique Online Technology Magazine in Turkey. I also create theme design, some plugins for Wordpress and made SEO (Search Engine Optimization) for Teknovole.com. Teknovole.com has Google Pagerank 4 and have been listed in Dmoz.org. I quit because of economical issues. You can reach my posts with this link: <http://www.teknovole.com/author/canartuc/> and Web site: <http://www.teknovole.com>

01.2008 – 12.2009

Giga Logistics Defense Systems, Software and Electronics (Ankara - Turkey)

IT Management and Service Support

The Firm was founded in January, 2008. We were using latest technologies. I was responsible for Information Technologies Department to step forward our technological duties. I involved the first IETM (Interactive Electronic Technical Manual/Publication) project in the World. I resigned because of my military service. Web Site: <http://www.gigalogs.com>

09.2007 – Feb. 2009

Eastern Mediterranean University Computer Engineering Dept. (Gazimagusa - Northern Cyprus)

Senior programmer, senior designer and assistant

I developed new department web site, alumni site, academic portal, computer engineering portal for teachers and assistants and system programs to manipulate departmental duties. I was also the assistant in laboratories of programming courses. I published the first Computer magazine in the university which was called The PC VISION in the university as 88 pages in 2006. I broke with it because of my graduation. Web Site: <http://cmpe.emu.edu.tr>

09.2002 – 02.2003

PC WORLD Computer Magazine (Istanbul - Turkey)

Software Editor

It was the second time of PC WORLD Turkish in Turkey. I was in founder team. I resigned with my wish. Web Site: <http://www.pcworld.com.tr>

03.2002 – 06.2002

PCnet Computer Magazine (İstanbul - Turkey)

Senior Writer

I was transferred from PC LIFE to PCnet by Editor in Chief Erdem GUNAY. I created a permanent chapter for native softwares for amateur programmers or/and freelancers. This was the first time in Turkey and we did a lot of promotions because of this chapter. I resigned with my wish. Web Site: <http://www.pcnet.com.tr>

03.2001 – 01.2002 **NetLIFE/PC LIFE Computer and Internet and PC LIFE Computer Magazine (İstanbul - Turkey)**

At NetLIFE Magazine, Software Editor and Columnist
At PC LIFE Magazine, Senior Writer

The same publisher was publishing NetLIFE and PC LIFE Magazines. In June 2001, I wrote the cover topic of PC LIFE Magazine. I was 17 years old and I am still the youngest cover topic writer in Turkey. NetLIFE and PC LIFE were closed because of economical crisis.
